Hastings— I am a fourth and fifth grade teacher at Star Elementary School in Hastings, Michigan. This past summer I have been in and out of the building tutoring several students. When I have been here and around your employees have been rocking it! I wanted to give a huge and personal shout out to Regina, Melissa, and Richard for their work this summer. Coming back to get my classroom ready I have never seen this place look any better. Thank you and thank you for these three fantastic employees who make our school a place to be proud of!

Dewitt— I just want to say (that my room is absolutely spotless and has never been cleaned this well ever! Not sure if there was a change or it was just the individual, but I really appreciate it. If you could send this a long or let me know who to message, I would really appreciate it.

Fountain Street Church—Great work Jamie. We appreciate you!

Happy Birthday!
