5/3rd Detroit—Darryl Dixon: This branch is impressive!

Ionia—Jeff Bernath: Great Job! Lunch room looks amazing!

Mt Pleasant: MaryKay from the Mt Pleasant HS, would like to give Austin Anderson, Dez Decker and Chris Ortwine all wows for the hard work at the HS this summer.

Hastings: I have to say that this summer GRBS hit a home run! I have had extremely positive feedback from principals. Dana stated yesterday "This is the first summer I did not feel like I had to be here over the weekend prior to the start of school to clean"! She also stated "The hallway on the east side of the building looks amazing"! Classrooms look really good, hallways in all buildings look very good, and overall cleanliness of the buildings look really good. Good job to GRBS and to the team overall! I also wanted to make mention of some GRBS team members who really stood out this summer in terms of the effort they put forth. I would nominate them for a WOW! Ashley, Kristen, Cheryl, Brian. I am sure there are far more who should be mentioned but I was able to witness this group perform above and beyond.

Cedar Springs: Wendy Smith, Cheryl ploughman and Reba hulliberger Great worker. Always on the go! Reba / Cheryl for tile work

Wayland: I want to give WOWs to Jana, Nicole, and Nathan. They did an amazing job today at Steeby!!! The teachers will be happy to get back into their clean classrooms.

Farmington—Adam: Adam has been an exceptional help this week going beyond the call of duty helping me lift and place furniture in the playground area. He is always efficient and awesome with our kids

Lowell—Robert Ferman: Great job. Hard worker and always willing to go the extra mile

Hartland—Christine Vizcarra: She hauled tables outside for lunch, kept the bldg clean and did touch points!!! Amazing !!

5/3rd Durrand—Lucy Rench: She has been doing a great job for years. She is great and communicates.

Parchment—Nicole Alexander: Nicole was fabulous this morning. I got to see her in action helping inform/train the day supervisor and night supervisor of what needs to be done and how to do it. I am in awe of her dedication, work ethic, and team-like mentality. I ask we continue to "take care" and reward Nicole for her outstanding work.

Belding—Anthony Hogle: Doing an outstanding job!

Mt Pleasant—Cherril Halladay: She is SO pleasant and funny. A joy to have around. We enjoy seeing her everyday. She goes above and beyond to stay busy. That work ethic is hard to find. Our building looks so nice. She thinks ahead and prepares to present our best building to visitors. She even took it upon herself, without any of us saying anything, to empty our recycling bins. In past years our recycling bins have overflowed awaiting the return of the recycling team of students. Not this year!

Fremont—Serina Musa: Thank you to you and your team for the thorough and speedy work at Pathfinder!!

Tri County—Kim: Kim went above and beyond and not only located and returned the missing area rug to our classroom, after taking a picture to confirm that it was the correct rug. She also took the time to steam clean it to make sure it was ready for the kids to use in addition to her regular duties. I am so grateful and appreciative of her extra effort! Kim always has a smile on her face and the students and staff adore her. She definitely deserves a WOW for her dedication to our school! Thank you for your consideration.

Parchment— Alex Thornton: I want you to know that Alex is a rock star!! He has been working his tail off this entire summer!!!

Cedar Springs—Wendy Smith: Great job and thank you for being a hard worker!

Happy Birthday!
